CITY COUNCIL
REGULAR MEETING AGENDA
Remote Meeting
May 4, 2021 – 6:30 p.m.

Notice: Pursuant to Governor Inslee's Proclamation 20-28, all in-person meetings are prohibited until further notice. The Mayor and Council encourage you use one of the following ways to participate in the meeting:

- **Watch** the meeting live via Federal Way YouTube Channel
- **Call in** and listen to the live meeting: (888) 788-0099 or 253-215-8782
- **Public Comment** may be submitted via email here, or sign up to provide live comments here
- **Zoom meeting code: 363 503 282 and passcode: 738163**

1. **CALL MEETING TO ORDER**

2. **PLEDGE OF ALLIGIANCE**

3. **PRESENTATIONS**

   a. State of the Court – Municipal Court Judges David Larson and Rebecca Robertson

   b. Proclamation: Mental Health Awareness Month – May 2021

   c. Proclamation: Fitness Month – May 2021

   d. Proclamation: Neurofibromatosis Awareness Month – May 2021

   e. American Rescue Plan Act (ARPA) – Economic Development Director Tim Johnson

   f. Mayor's Emerging Issues and Report
      - COVID-19/King County Phase Update – Bill Vadino Policy Advisor
      - Needle Exchange Working Group
      - Report on Recent Events: Farmer's Market Opening Day (5/1); African American/Black Community Quarterly Meeting (4/21); Business Resiliency Task Force Meeting (4/22); and Community Continuity Task Force (4/23)

   g. Council Committee Reports
      - Parks/Recreation/Human Services/Public Safety Committee (PRHSPS)
      - Land Use/Transportation Committee (LUTC)
      - Finance, Economic Development Regional Affairs Committee (FEDRAC)
      - Lodging Tax Advisory Committee (LTAC)
      - Regional Committees Report (PIC)
      - Council President Report

The City Council may add items and take action on items not listed on the agenda.
Regular Meetings are recorded and televised live on Government Access Channel 21.
To view Council Meetings online please visit www.cityoffederalway.com.

4. PUBLIC COMMENT

Please email comments to COUNCIL@cityoffederalway.com or complete a citizen comment request form (found here) prior to the meeting, to provide comments via telephone during the meeting. All comments are limited to 3 minutes each.

5. CONSENT AGENDA

Items listed below have been previously reviewed in their entirety by a Council Committee of three members and brought before full Council for approval; all items are enacted by one motion. Individual items may be removed by a Councilmember for separate discussion and subsequent motion.

a. Minutes: April 20, 2021 Regular and Special Meetings

b. Monthly Financial Report – March 2021

c. Accounts Payable Vouchers 03/16/2021 – 04/15/2021 & Payroll Vouchers 03/01/2021-03/31/2021

d. Dump Truck Replacement

6. ORDINANCES

First and Second Reading/Enactment

a. Council Bill #802/Ordinance Creating Hazard Pay requirements for Grocery Workers during the COVID-19 Emergency

AN ORDINANCE OF THE CITY OF FEDERAL WAY, WASHINGTON, RELATING TO HAZARD PAY FOR GROCERY WORKERS IN RESPONSE TO THE EMERGENCY SITUATION CREATED BY COVID-19.

- Staff Report: Steve McNey, Communications and Government Relations
- Public Comments – 3 minutes each
- Council Discussion/Questions

7. COUNCIL REPORTS

8. EXECUTIVE SESSION

- Sale or Lease of Property pursuant to RCW 42.30.110 (1)(c)
- Property Acquisition Pursuant to RCW 42.30.110(1)(b)

9. ADJOURNMENT

The City Council may add items and take action on items not listed on the agenda.

Regular Meetings are recorded and televised live on Government Access Channel 21.
To view Council Meetings online please visit www.cityoffederalway.com.

CITY OF Federal Way

PROCLAMATION

"Mental Health Awareness Month"

WHEREAS, mental health is part of overall health; and

WHEREAS, mental health helps to sustain an individual's thought processes, relationships, productivity and ability to adapt to change or face adversity; and

WHEREAS, mental illness adversely affects those abilities and often is life-threatening in nature; and

WHEREAS, one in four adults experiences mental health problems in any given year and such problems can contribute to the onset of mental illness; and

WHEREAS, one in seventeen adults lives with mental illness such as major depression, bipolar disorder or schizophrenia; and

WHEREAS, approximately one-half of chronic mental illness begins by the age of fourteen and three-quarters by age twenty-four; and

WHEREAS, long delays–sometimes decades–often occur between the time symptoms first appear and when individuals get help; and

WHEREAS, early identification and treatment can make a profound difference in successful management of mental illness and recovery; and

WHEREAS, it is important to maintain mental health and learn the symptoms of mental illness in order to get help when it is needed; and

WHEREAS, every citizen and community can make a difference in helping end the silence and stigma that for too long has surrounded mental illness and discouraged people from getting help; and

WHEREAS, public education and civic activities can encourage mental health and help improve the lives of individuals and families affected by mental illness.

NOW, THEREFORE, we, the undersigned Mayor and City Council of the City of Federal Way do hereby proclaim the month of May 2021 as Mental Health Awareness Month in the City of Federal Way to increase public understanding of the importance of mental health and to promote identification and treatment of mental illnesses.

SIGNED this 4th day of May, 2021.

FEDERAL WAY MAYOR AND CITY COUNCIL

Jim Ferrell, Mayor

PROCLAMATION

"Physical Fitness and Sports Month"

WHEREAS, May is designated as Physical Fitness and Sports Month, created to encourage and maintain more physically active and healthy lifestyles; and

WHEREAS, we recognize the important role fitness, recreation, and sports contribute to the quality of life in Federal Way and society; and

WHEREAS, organized and recreational sports help bring us together through friendly competition, the development of lifelong skills, memorable times spent with family and friends, bringing communities together and improving our health; and

WHEREAS, the city's Parks Department staff maintain the Puget Sound's premier recreation facility, the Federal Way Community Center, as well as thirty-two picturesque parks in our region that offer many locations for fitness, recreation, sports and community gatherings; and

WHEREAS, Federal Way's entrepreneurial small business owners contribute to a happy and healthy community by providing personalized fitness and healthy lifestyle offerings to all ages and fitness levels including yoga, dance workouts, strength training, kick-boxing, and self-defense.

WHEREAS, in this era of social-distancing, our fitness and recreation partners persisted to bring fitness and wellness by offering smaller class sizes, outdoor group options, and new virtual fitness classes to fit more schedules and lifestyles; and

NOW THEREFORE, we, the undersigned Mayor and City Council of the City of Federal Way, do hereby proclaim May 2021 as Physical Fitness and Sports Month in the City of Federal Way and encourage everyone to participate in the Shop Local Federal Way initiative event at the Saturday, May 15 Federal Way Farmers Market which will feature live demonstrations and informational displays to increase awareness of fitness options in Federal Way.

SIGNED this 4th day of May 2021

PROCLAMATION

"Neurofibromatosis Awareness Month"

WHEREAS, the Children's Tumor Foundation is observing May 2021 as Neurofibromatosis Awareness Month to educate the public about this rare genetic disorder; and

WHEREAS, although over 2 million people around the world are living with Neurofibromatosis and one in every 3,000 births is diagnosed with Neurofibromatosis, it is relatively unknown to the public; and

WHEREAS, Neurofibromatosis affects all equally regardless of race, ethnicity, or gender; and

WHEREAS, Neurofibromatosis causes tumors to grow on nerves throughout the body and also can affect development of the brain, cardiovascular system, bones, and skin; and

WHEREAS, the disorder can lead to blindness, deafness, bone abnormalities, disfigurement, learning disabilities, disabling pain, and cancer; and

WHEREAS, the Children's Tumor Foundation leads efforts to promote and financially sponsor world-class medical research aimed to find effective treatments and ultimately, a cure for Neurofibromatosis; and

WHEREAS, the Children's Tumor Foundation is actively fostering collaborative partnerships in both science and industry to speed the drug research and development process through a number of consortia called Synodos; and

WHEREAS, the Children's Tumor Foundation works to improve access to quality patient healthcare through its national Neurofibromatosis Clinic Network; and

WHEREAS, the Children's Tumor Foundation provides patient and family support through its information resources, youth programs, and local chapter activities; and

WHEREAS, much remains to be done in raising public awareness of NF to help promote early diagnosis, proper management and treatment, prevention of complications, and support for research.

NOW, THEREFORE, we, the undersigned Mayor and City Council of the City of Federal Way, do hereby proclaim May 2021 as Neurofibromatosis Awareness Month in the City of Federal Way.

SIGNED this 4th day of May 2021

MEMORANDUM

DATE: April 22, 2021
TO: Council President & Councilmembers
FROM: Tim Johnson, Director Economic Development & Redevelopment
SUBJECT: American Rescue Plan Act.

The attached document is an overview of the American Rescue Plan Act. It identifies by Title (chapter) federal dollars for programs and projects.

The Overview will act as a map for your efforts to identify opportunities for the City.

In addition to this Overview, also find a memo on the Local Fiscal Recovery Fund. It provides significant information on direct federal funding for the City.

MEMORANDUM

DATE: April 23, 2021
TO: Mayor, Council President & Council
FROM: Tim Johnson, Director, Economic Development & Redevelopment, x2412
SUBJECT: Status, Local Fiscal Recovery Fund portion of ARPA

BACKGROUND

The American Rescue Plan Act, (ARPA) was signed on March 11th 2021. This is a key date as identified in the Act, as it is the start date for which the US Treasury along with other federal agencies have (within 60 days) to provide guidance on the Local Fiscal Recovery Fund, (LFRF) along with providing the first grant allotment on May 10th and other programs that comprise the ARPA.

In the meantime, information is being provided to the City through the National League of Cities, the Association of Washington Cites along with MRSC. While it will be weeks before the City receives communication from the federal government related to the direct aid program known as the Local Fiscal Recovery Fund portion of ARPA, staff is beginning efforts to research the process and requirements in advance of receipt of these funds.

Thus, the following provides significant insight.

First, the citation for LFRF can be found in the American Rescue Plan Act, Title IX, Subtitle M Section 9901.

It has been estimated that the Federal Way will receive $18 million. However, that was an estimate provided by the US Conference of Mayors. Final numbers have not been released and actual determination is calculated by the Treasury utilizing an equation that calculates a community's population, poverty rates and measures of housing instability. Then and only then will we know the total grant amount.

The grant will be provided in two allotments. The first is 50 percent of the total. The remaining is provided 12 months later following the receipt of the first allotment. However, the Treasury Department can choose to withhold up to 50% of funding from its initial distribution, due to further guidance outstanding.

The process could take longer given the need for the formulation of federal guidance. The Treasury Department is still working on guidance that will help administer the payments.

In my research, the Treasury Department has not responded to any requests from national organizations such as the National League of Cities or Association of Counties on the timelines for distribution to state and local governments or progress on drafting guidance on the law for states.

Hopefully the Treasury Department will again use a similar short certification process used for the CARES Act as it was efficient.

Some insight however provided by the National League of Cities identifies that local governments are likely to begin receiving money before states, due to stipulations in the Act. As identified above, the Treasury Department, (the point agency in charge of the deployment of the LFRF) has 60 days from the

law's enactment to release the first allocation of funding to cities and counties—in this case a mid-May deadline.

ELIGIBILITY OF EXPENDITURES

There appear to be four main categories of uses of the grant with multiple sub-categories. They include the following:

A. For the provision of government services to the extent of the reduction in revenue of such metropolitan city, non-entitlement unit of local government, or county due to the COVID – 19 public health emergency relative to revenues collected in the most recent full fiscal year of the metropolitan city, non-entitlement unit of local government, or county prior to the emergency;

B. To respond to the public health emergency with respect to the Coronavirus Disease 2019 (COVID-19) or its negative economic impacts, including assistance to households, small businesses, and nonprofits, or aid to impacted industries such as tourism, travel, and hospitality;

C. To respond to workers performing essential work during the COVID-19 public health emergency by providing premium pay to eligible workers of the metropolitan city, non-entitlement unit of local government, or county that are per forming such essential work, or by providing grants to eligible employers that have eligible workers who perform essential work; or

D. To make necessary investments in water, sewer, or broadband infrastructure.

There are restrictions in the use of the grant. It cannot be used to for pension funds. There is still no clear guidance on capital and specifically facilities improvements as of the writing of this memo.

Additionally, as it did with the CARES Act, the U.S. Treasury is expected to issue more detailed guidelines for the expenditure of funds in the near future.

Local governments may also transfer funds to private nonprofit organizations, a public benefit corporation involved in the transportation of passengers or cargo, or a special purpose unit of a State or local government. Again, the legislation does make clear that ARPA funds may not be used for deposit into any pension fund under any circumstances.

When transferring funds to private organizations or individuals, local governments must be mindful of the prohibition on gifts of public funds in Washington State. Historically, MRSC has advised agencies that contributions of funds in the form of grants or loans is generally prohibited. On March 17, 2020, the Washington Attorney General issued a memo to state and local governments clarifying that public funds may be spent "for the primary purpose of protecting and promoting public health which may have an incidental benefit on private citizens and entities." On April 6, 2020, the Attorney General's Office issued further guidance that "loans or grants are permissible if local governments can establish a clear nexus between such programs and either protecting the local economy or promoting compliance with public health guidelines."

PRINCIPLES OF USE OF FUNDS

The National League of Cities recommends the following steps in identifying use of funds:

1. Use dedicated grant first for gaps and priorities not otherwise eligible for other federal and state assistance programs.

2. Assess government operations and community needs.

3. Prioritize fiscal stability and returning to work.

4. Maintain excellent records and document success.

5. Include your congressional delegation in the City of Federal Way 's progress.

FUTURE DIRECTION

Lastly, in the effort to prepare for the receipt of federal funds, it is recommended that the City management formulate a plan to address the recommended use.

The following is an example of a framework:

STABILIZE:

Mayor and Finance Director & City Management Team to identify the loss revenue and backfill

STRATEGIZE:

Should there be excess funds beyond those needed for fiscal stabilization, identify ways to address the use of the LFRF. Look to the following:

- Leverage these dollars
- Immediacy of Community Needs
- Inclusivity
- Future Prosperity

ORGANIZE

- Formulate City Team
- Set goals
- Record Investments
- Track Results

City staff will prepare a report for review shortly after receipt of the guidance and requirements from the federal government, specifically, the US Treasury.

Should you have any questions or directions, I am available at your convenience.

The City of Federal Way

American Rescue Plan Act

2021

American Rescue Plan Act 2021

Economic Development, City of Federal Way
Cover by Stephan Heiserman

THE AMERICAN RESCUE PLAN ACT, 2021
An Overview
Prepared by the City of Federal Way, Economic Development
April, 2021

The current public health crisis and resulting economic impacts have shattered the health and economic wellbeing of millions of Americans including Federal Way residents. Specifically impacted are people of color, immigrants, and low-income residents. Additionally, nationally, more than 9.5 million workers lost their jobs in the wake of the pandemic, with 4 million out of work for half a year or longer.

The American Rescue Plan Act, (ARPA) is federal legislation passed by Congress and signed into law by the President on March 11th, 2021. Its intent is focused on changing the course of the pandemic and deliver immediate and direct relief to families, businesses and workers impacted by the COVID-19 crisis through no fault of their own.

As background to the Act, it is comprised of 11 Titles, or chapters. They include the following:

Title I. Agriculture, Nutrition & Forestry
Title II. Health, Education, Labor and Pensions
Title III. Banking, Housing & Urban Affairs
Title IV. Homeland Security & Government Affairs
Title V. Small Business & Entrepreneurship
Title VI. Environment & Public Works
Title VII. Commerce, Science & Transportation
Title VIII. Veteran's Affairs
Title IX. Finance
Title X. Foreign
Title XI. Indian Affairs

In addition, there are dozens of subtitles per title and hundreds of sections that highlight key elements of the Act.

The two most prominent elements of the Act involve the Economic Stimulus payment and the State and Local Fiscal Recovery Fund.

Economic Stimulus Payments
The legislation identified in Title IX, Subtitle G Part 1 Section 9601 provides "Recovery Rebates" to individuals. The ARPA provides a third round of three direct economic stimulus in response to COVID-19.

Those eligible will automatically receive an Economic Impact Payment of up to $1,400 for individuals or $2,800 for married couples, plus $1,400 for each dependent. Unlike the prior rounds of Economic Impact Payments, families will get a payment for all their dependents claimed on a tax return, not just their qualifying children under 17.

As identified by the IRS, normally, a taxpayer will qualify for the full amount if they have an adjusted gross income of up to $75,000 for singles and married persons filing a separate return, up to $112,500 for heads of household, and up to $150,000 for married couples filing joint returns and surviving spouses. Payment amounts are reduced for filers with incomes above those levels.

In total, an eligible individual could have received to date $3,200 in direct economic stimulus.

State and Local Fiscal Recovery Funds

State, local and tribal governments across the nation have been under an unprecedented strain in the wake of the COVID-19 crisis. While the need for services has increased including setting up emergency medical facilities, standing up vaccination sites, and supporting struggling small businesses - state and local revenues have plummeted as a result of the economic fallout from the crisis.

At the height of the fallout, public sector employment fell by around 1.4 million jobs, including layoffs of 1 million educators, compared to around 750,000 job losses during the Great Recession. As a result, communities have faced untenable choices, between laying off educators, firefighters and other frontline workers or failing to provide services that communities rely on.

In TITLE IX, Subtitle M, Section 9901 is divided into four sections. Sections 602 and 603 establish the State and Local Fiscal Recovery Funds Program. The ARPA provides $350 billion dollars in emergency funding for state, local, territorial, and Tribal governments to remedy this mismatch between rising costs and falling revenues. This includes:

- $195 billion for states, (a minimum of $500 million for each State);
- $130 billion for local governments (a minimum of $1.25 billion per state is provided by the statute inclusive of the amounts allocated to local governments within the state);
- $20 billion for tribal governments; and
- $4.5 billion for territories

The ARPA will provide needed relief to state, local, and tribal governments to enable them to continue to support the public health response and lay the foundation for a strong and equitable economic recovery.

In addition to helping these governments address the revenue losses they have experienced as a result of the crisis, it will help them cover the costs incurred due responding to the public health emergency and provide support for a recovery – including through assistance to households, small businesses and nonprofits, aid to impacted industries, and support for essential workers. It will also provide resources for state, local, and tribal governments to invest in infrastructure, including water, sewer, and broadband services.

Meanwhile, the following information provides an overview highlighting the opportunities by Title and Section of the Act in the effort to identify where and how to acquire funds for specific programs and projects to serve the needs of residents, businesses and other local public agencies.

TITLE I - AGRICULTURE, NUTRITION & FORESTRY

Subtitle A – Agriculture, Section 1101 – 1108
This element of the Act focuses on Agriculture, Nutrition and Forestry. There is over $4 billion available until expended.

In Section 1001 (b) (3) these dollars can be used for grants or loans through the USDA for small or midsized food processors or distributors, seafood processing facilities and processing vessels, farmers markets, and producers in response to COVID-19.

Subtitle B, Nutrition, Section 1101-1107
In Section 1101 through 1105, it identifies assistance for improvements to the Supplemental Nutrition Assistance Program, (SNAP) and nutrition support for Women, Infants and Children (WIC) in each state along with program modernization. These dollars can also be used to provide technical assistance to educate retailers on the process and technical requirements for the online acceptance of the program benefits so much more prevalent due to the pandemic.

Additionally, in Section 1107 and 1108 there are language changes in pandemic Electronic Benefit Transfer meals and supplement for at-risk school children.

TITLE II - HEALTH, EDUCATION, LABOR & PENSIONS

Subtitle A, Education Matters, Part 1 - Dept of Education
In addition to the Education Stabilization Fund for 2021, **Section 2001** of ARPA provides over $122 billion through 2023 to carry out Dept. of Education programs identified in the Act in Title II Part 1.

For example, in Section 2001 (b) (1)there is $800 million in funds in this subsection that are to be used for the purposes identifying homeless children and youth and providing these children and youth with wrap around services in the light of COVID-19. It also provides needed assistance to enable homeless children and youth to attend school and participate fully in school activities. Such funds are allocated to the states and subsequently provide subgrants to local educational agencies.

In addition, these funds can also be used for the coordination of preparedness and response efforts of local educational agencies with state, local, Tribal, and territorial public health departments, and other relevant agencies, to improve coordinated responses among such entities to prevent, prepare for, and respond to coronavirus. It also addresses activities to address the unique needs of low-income children or students, children with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and foster care youth, including how outreach and service delivery will meet the needs of each population.

Additionally, in Section 2001, (e) (2) (I) the purchasing of supplies to sanitize and clean the facilities of a local educational agency.

Also, there is purchasing educational technology (including hardware, software, and connectivity) for students who are served by the local educational agency that aids in regular and substantive educational

interaction between students and their classroom instructors, including low-income students and children with disabilities, which may include assistive technology or adaptive equipment.

For further information go to TITLE II, Part 1 as there is extensive legislation on education programs that include elementary and Secondary School emergency Relief Fund, Higher Education Emergency Relief Fund and Maintenance of effort and equity

TITLE II Subtitle A, Part 2 Miscellaneous/National Endowments of the Arts/ National Endowments of the Humanities

The Act provides in Section 2021 funding for the National Endowments of the Arts. In addition to dollars already allocated for the Endowment an additional $135 million that are available until expended.

- Forty percent shall be for grants, and relevant administrative expenses, to State arts agencies and regional arts organizations that support organizations' programming and general operating expenses to cover up to 100 percent of the costs of the programs which the grants support, to prevent, prepare for, respond to, and recover from the coronavirus.

- Sixty percent shall be for direct grants, and relevant administrative expenses, that support organizations' programming and general operating expenses to cover up to 100 percent of the costs of the programs which the grants support, to prevent, pre17 pare for, respond to, and recover from the coronavirus.

The Act provides in Section 2022 funding for the National Endowments of the Humanities. In addition to dollars already allocated for the Endowment an additional $135 million that are available until expended.

- Forty percent shall be for grants, and relevant administrative expenses, to State arts agencies and regional arts organizations that support organizations' programming and general operating expenses to cover up to 100 percent of the costs of the programs which the grants support, to prevent, prepare for, respond to, and recover from the coronavirus.

- Sixty percent shall be for direct grants, and relevant administrative expenses, that support organizations' programming and general operating expenses to cover up to 100 percent of the costs of the programs which the grants support, to prevent, prepare for, respond to, and recover from the coronavirus.

TITLE II, Subtitle C- Human Services and Community Supports, Section 2201-2205
The ARPA provides a variety of assistance for child care, specifically, for child care operators and for the service of child care for families.

Under Section 2201, there are significant dollars for childcare, Development Block Grant Program, stabilization, Head Start and other programs. Nearly $15 billion is applied for childcare and the Development Block Grant funding.

Additionally, identified in TITLE II, Section 2202, grants will be available almost $24 billion for program dollars to the states for "Childcare Stabilization Subgrants," to assist child care providers. Again, specific

information is provided to access these funds, however, it appears that counties and cities need to work with the state to acquire funds if at all. For example, the state may issue a grant program for childcare operators whereby childcare operations must interact and apply with the state directly.
NOTE: Please be aware that under Title IX of the Act, in Sections 9611 and 9612 there is extensive information on Childcare Tax Credits. For purposes of ease of review, see below.

Child Care Tax Credits
Additionally, the American Rescue Plan's expansion of the Child Tax Credit, Section 9611 and 9612 et al., will substantially reduce child poverty by supplementing the earnings of families receiving the tax credit. Specifically, the Child Tax Credit has been revised in the following ways:

1. The IRS code has been amended specifically on reflecting the upper age of an eligible dependent and applicable threshold amounts pertaining to a joint return and head of household

2. The credit amount has been increased. The American Rescue Plan increased the amount of the Child Tax Credit from $2,000 to $3,600 for children under age 6, and $3,000 for other children under age 18.

3. Credit amounts will be made through advance payments during 2021. Individuals eligible for a 2021 Child Tax Credit will receive advance payments of the individual's credit, which the IRS and the Bureau of the Fiscal Service will make through periodic payments from July 1, to December 31, 2021. This change will allow struggling families to receive financial assistance now, rather than waiting until the 2022 tax filing season to receive the Child Tax Credit benefit.

4. The credit is now fully refundable. By making the Child Tax Credit fully refundable, low- income households will be entitled to receive the full credit benefit, as significantly expanded and increased by the American Rescue Plan.

To facilitate the disbursement of Child Tax Credit advance payments during 2021, ARPA requires the IRS to establish an online portal for taxpayers to update relevant data for mid-year payment adjustments (for example, the birth of a child during 2021). In addition to this online tool, the Treasury Department and the IRS will carry out a sweeping public awareness campaign parallel to its Economic Impact Payment campaign to reach all Americans who may be eligible for this financial assistance.

Title II Subtitle D- Public Health, Sections 2302
Specifically identified in this section, it identifies funds for the establishment and expansion including staffing support of community vaccination centers, particularly in underserved areas. Along with communications with public on how where to receive vaccines along with transportation of individuals to vaccination centers.

Title II, Part 2, Subtitle K Ratepayer Protection, Sections 2911 & 2912
Additionally, ARPA appropriates $4.5 billion to the Low-Income Home Energy Assistance Program (LIHEAP) (see Section 2911). LIHEAP is a federal program that provides energy assistance to eligible households. Washington State's LIHEAP program is administered through the Department of Commerce (DOC), which maintains a LIHEAP webpage that includes information about eligibility, services, and county-specific links. Since households are responsible for applying for LIHEAP assistance, local energy utilities may want

to provide information about LIHEAP on their website and/or include information with their billings. Households that qualify for support will have payments paid directly to their energy utility.

ARPA appropriates $500 million to the Secretary of Health and Human Services for public drinking and wastewater services (see Section 2912). These funds are directed towards reducing the arrearages of low-income households, particularly those with the lowest incomes, that have been impacted by the COVID-19 pandemic. Grants will provide funding to "owners and operators of public water systems or treatment works."

As of the publication date of this blog, the US Department of Health and Human Services (HHS) has yet to post information regarding ARPA grants on the Coronavirus (COVID-19) Grant Opportunities and Guidance webpage.

TITLE III BANKING, HOUSING and URBAN AFFAIRS

As the economic fallout from the COVID-19 crisis took form, millions of Americans were faced with the pressures of having to decide between making mortgage payments and other essential obligations. This was especially true for the low-income communities and communities of color who bore the brunt of this crisis.

According to HUD, across the nation, 1 in 5 renters is behind on rent and just over 10 million homeowners are behind on mortgage payments.

Subtitle A- Defense Production Act,

Section 3101
This section identifies the access to $10 billion for testing, PPE, vaccines and other materials.

Subtitle B- Housing Provisions, Sections 3201-3208

Section 3201 Emergency Rental Assistance
The legislation provides more than $21.5 billion in emergency rental assistance, to be administered by Treasury, to help millions of families keep up on their rent and remain in their homes.

Section 3202 Emergency Housing Vouchers
The legislation provides $5 billion for emergency housing vouchers for individuals and families who are experiencing homelessness or at risk of homelessness.

Section 3204 Housing Counseling
The legislation provides $100 million, to be administered by NeighborWorks, for grants to housing counseling providers to provide services to households facing housing instability.

Section 3205 Homelessness Assistance and Supportive Services Program
The legislation provides $5 billion for the HOME Investment Partnerships Program to help create housing and services for people experiencing or at risk of homelessness.

Section 3206 Homeowner Assistance Fund
The legislation provides nearly $10 billion, to be administered by Treasury, to help homeowners behind on their mortgage and utility payments and avoid foreclosure and eviction.

Section 3207 Relief Measures for Section 502 and 504 direct loan borrowers
The legislation provides $39 million, to be administered by USDA, for USDA Section 502 and 504 home loans, which help low and very-low income borrowers purchase, repair, and rehabilitate housing in rural areas, while helping existing borrowers who are struggling to afford housing.

Section 3208 Fair Housing Activities
The legislation provides $20 million for the Fair Housing Initiatives Program to investigate fair housing complaints, strengthen enforcement, and assist those who believe they have been victims of housing discrimination.

Section 3301 State Small Business Credit Initiative
It is no secret that the pandemic has disproportionately impacted small businesses across the country, particularly those owned and operated by women and minorities. Every community has had to face the unfortunate reality of local storefronts that are closing or have closed, resulting in friends and family members being furloughed or laid off. Nationally, small business revenue is down 32 percent, and at least 400,000 firms have permanently closed. After a year of the public health crisis, many businesses are hanging on by a thread. Within this law are plans to provide critical assistance to small businesses across the country, facilitating the urgent deployment of capital and support to help these organizations not just persevere, but recover on solid footing.

ARPA provides $10 billion to state and Tribal governments to fund small business credit expansion initiatives. This program will build off the inaugural model developed in 2011 during the Obama-Biden Administration, in which nearly $1.5 billion in capital supported over $8 billion in new lending and investing activity across 142 different programs in its first 5 years. The new iteration will expand in scale and include:

- $1.5 billion for states to support businesses owned by socially and economically disadvantaged people;
- $1 billion for an incentive program to boost funding tranches for states that show robust support for such businesses; and
- $500 million to support very small businesses with fewer than 10 employees;

This Act will inject capital into state small business support and capital access programs, provide collateral support, facilitate loan participation, and enable credit guarantee programs. It will boost state venture capital programs and provide funding for technical support and assistance. This Administration recognizes that small businesses—enterprises that are responsible for two-thirds of net new jobs in this country—are the backbone of the American economy, and a bellwether of economic progress.

Section 3401, Federal Transit Administration Grants
The Act includes $30.5 billion in federal funding for public transportation systems and to distribute the COVID-19 vaccine. The relief funds will be distributed as follows, at 100-percent federal share:

- $26.6 billion to be allocated by statutory formulas to urbanized and rural areas and tribal governments
- $2.2 billion to FTA grant recipients in communities that demonstrate additional pandemic-associated needs.
- $1.675 billion for projects in the Capital Investment Grants (CIG) Program
- $50 million under the Enhanced Mobility of Seniors and Individuals with Disabilities formula program
- $25 million for competitive planning grants
- $5 million for competitive tribal grants

TITLE IV- HOMELAND SECURITY & GOVERNMENT AFFAIRS

Section 4006 Funeral Assistance
Under the American Rescue Plan Act of 2021, FEMA will provide financial assistance for COVID-19-related funeral expenses incurred after January 20, 2020.

To be eligible for funeral assistance, you must meet these conditions:

- The death must have occurred in the United States, including the U.S. territories, and the District of Columbia.
- The death certificate must indicate the death was attributed to COVID-19.
- The applicant must be a U.S. citizen, non-citizen national, or qualified alien who incurred funeral expenses after January 20, 2020.
- There is no requirement for the deceased person to have been a U.S. citizen, non-citizen national, or qualified alien.

In April, FEMA will begin accepting applications. If you had COVID-19 funeral expenses, we encourage you to keep and gather documentation. Types of information should include:

- **An official death certificate** that attributes the death directly or indirectly to COVID-19 and shows that the death occurred in the United States, including the U.S. territories, and the District of Columbia.
- **Funeral expenses documents** (receipts, funeral home contract, etc.) that includes the applicant's name, the deceased person's name, the amount of funeral expenses, and the dates the funeral expenses happened.
- **Proof of funds received from other sources** specifically for use toward funeral costs. We are not able to duplicate benefits received from burial or funeral insurance, financial assistance received from voluntary agencies, government agencies, or other sources.

The federal assistance will be limited to a maximum financial amount of $9,000 per funeral, with a maximum of $35,500 per application for multiple funerals of other family members after Jan. 20, 2020.

Section 4007 Emergency Food and Shelter Program Funding
The legislation identifies that $400 million is available from FEMA to assist organizations in communities across the country dedicated to providing food, shelter and supportive services to people with economic emergencies, including the nation's hungry and homeless populations.

In addition, $110 million was added for organizations providing humanitarian assistance to migrants from the southern border.

Program funds help people with economic, not disaster-related, emergencies. Funds can be used for a broad range of services, including: mass sheltering; mass feeding; assistance to food pantries and food banks; payment of one month's utility bills to prevent loss of services; payment of one-month's rent or mortgage to prevent eviction or foreclosure; and transition assistance from shelters to stable living conditions.

Local nonprofit, faith-based and governmental entities that provided these types of services in their communities are eligible to apply. Applications will be completed by local entities (including local government agencies) and submitted to the program's local boards. State government facilities that provided eligible direct services will apply through their Emergency Food and Shelter Program state set-aside committee.

All applications shall be evaluated competitively. Reimbursements addressing humanitarian needs such as life sustaining food and shelter expenses will be given priority.

The supplemental $510 million is separate from the funding appropriated annually to the program. Congress previously appropriated $130 million in annual funding. That money will be distributed to agencies nationwide who provide services to those struggling with food insecurity and homelessness.

Section 4014 Emergency Management Performance Grant
The legislation added another $100 million to the existing $355 million for state agencies to apply for these grants.

TITLE V - SMALL BUSINESS & ENTREPRENEURSHIP

Section 5001 modifies and extends the Paycheck Protection Program (PPP) Loans and Other Benefits for Small Businesses.

ARPA adds $7.25 billion in funding authority to the popular Paycheck Protection Program (PPP) and expands eligibility to internet-only news publishers (500 employees or fewer), some tax-exempt groups (labor organizations, social and recreational clubs, fraternal benefit societies and religious educational groups) with no more than 300 employees and which meet specific limitations on lobbying activities, and many larger nonprofits (e.g., 501(c)(3) organizations) with no more than 500 employees.

On March 31, President Biden signed the PPP Extension Act of 2021, extending the Paycheck Protection Program an additional two months to May 31, 2021.

Section 5002 increases the **Economic Injury Disaster Loan** program amends the amount by $15 billion.

Section 5003 of the Act calls for the Support of Restaurants, a new federal program authorizing $26.8 billion the Small Business Administration (SBA) to make grants of up to $10 million in the aggregate ($5 million in the aggregate per location) to eligible entities and their affiliated businesses to cover pandemic-related losses.

What Businesses Are Eligible for RRF Grants?
"Eligible entities" are broadly defined as businesses where "the public or patrons assemble for the primary purpose of being served food or drink" and include:

- Restaurants
- Food stands and food trucks
- Caterers
- Saloons, inns, taverns, bars, lounges, brewpubs, tasting rooms and taprooms
- Licensed facilities or premises of a beverage alcohol producer where the public may taste, sample or purchase products

It would appear that nightclubs, music venues, concert halls and other entertainment venues are not included, even if they serve food or drink, as the primary purpose of people patronizing such businesses is not to be served food or drink. However, such entities may be eligible to receive grants from Section 324 of the Economic Aid to Hard-Hit Small Businesses, Nonprofits, and Venues Act.

Eligible entities also include "affiliated businesses," which are defined as businesses in which the eligible entity has an equity or right to profit distributions of not less than 50 percent or has the contractual right to control the business. (The interest or right to control must have been in existence as of March 13, 2020.)

Which Businesses Are Not Eligible for RRF Grants?

- Publicly traded companies
- Entities (together with any affiliated businesses) that operate more than 20 locations under the same or different names
- Any entity that has a pending application for or has received a grant under Section 324 of the Economic Aid to Hard-Hit Small Businesses, Non-profits, and Venues Act (commonly referred to as a Shuttered Venue Operators Grant)

How Much Assistance Can an Eligible Entity Get?
The amount of any grant is limited to the eligible entity's "pandemic-related revenue loss," which is defined as one of the following:

- 2020 gross receipts subtracted from 2019 gross receipts, if the sum is greater than zero; or
- If the entity was not in business for the entirety of 2019, the difference between the product of its average monthly gross revenues in 2019 multiplied by 12, and the product of its average monthly gross receipts in 2020 multiplied by 12; or
- If the entity opened during the period beginning on January 1, 2020 and ending on the day before the enactment of the Act, the amount of its payroll costs (which has the same meaning as in the CARES Act) less its gross receipts during that period; or
- If the entity has not yet opened as of the date of its grant application, the amount of its payroll costs incurred as of the date of the Act.

In all cases, the amount of an entity's "pandemic-related revenue losses" are reduced by the amount of Paycheck Protection Program (PPP) or PPP Second Draw loans made to the entity in 2020 or 2021.

Grants Are Capped
The aggregate amount of grants made to any eligible entity and its affiliates is capped at $10 million and $5 million per physical location of the entity.

What Can Grants Be Used For?
During the period beginning February 15, 2020 and ending December 31, 2021, the grant funds may only be used for the following expenses incurred "as direct result of, or during, the COVID-19 pandemic" and include the following:

- Payroll costs (as that term is defined in the CARES Act for PPP loans)
- Principal and interest payments on a mortgage (but not a prepayment of principal)
- Rent
- Utilities
- Maintenance expenses, including construction and furnishing costs for outdoor seating
- Supplies, including PPE and cleaning materials
- Food and beverage expenses that are within the normal scope of business of the eligible entity prior to February 15, 2020
- Covered supplier costs
- Operational expenses
- Paid sick leave
- Anything else determined by the SBA to be essential to maintaining the eligible entity

Return of Funds
Grant funds will have to be returned in the event that:

- The entity's pandemic-related revenue losses are estimated in its grant application and the estimate overstates the losses; or
- The entity goes out of business before using all of the grant funds; or
- The entity fails to use all of the grant funds before December 31, 2021 or a date set by the SBA, which cannot be more than two years after the date the Act is enacted.

Required Certifications
Entities seeking grants must self-certify in good faith in their applications that:

- The uncertainty of the current economic conditions makes necessary the grant request to support ongoing operations of the eligible entity;
- The eligible entity has not applied for or received a grant under Section 324 of the Economic Aid to Hard-Hit Small Businesses, Nonprofits and Venues Act; and
- To the extent seeking priority for the application as described above, that the eligible entity is eligible for priority.

Limitations on Grant Awards During the Initial Period After Enactment
During the first 60 days after the Act becomes law, $5 billion of the RRF is reserved for grants to eligible entities with gross receipts in 2019 of not more than $500,000. The remaining $23.6 billion is available during such period for "the Administrator to award grants ... in an equitable manner to eligible entities of different sizes based on gross receipts." After that initial 60-day period, the SBA is free to make grants to eligible entities regardless of annual gross receipts. Note that the Act appears to permit the SBA to lengthen or shorten that initial period as it sees fit.

Grant Priorities
During the initial 21-day period in which the SBA is making grants (note, the period is not the same as the initial 60-day period described above that begins running on the date of enactment), it must give grant priority to small businesses owned by women or veterans, and to socially and economically disadvantaged small businesses. After that 21-day period, the SBA is required to award grants in the order the applications are received, but "may" take steps to ensure such applicants have access to RRF grants. Applicants should be aware that given the limited funds allotted to the RRF, applications should be submitted as soon as possible.

There are still many open questions about the RRF, including those about when eligible entities can begin applying, what the applications will require, and whether the SBA will alter any of the criteria set forth in the Act. The Much team will monitor developments and provide updates as they become available.

Section 5004 Community Navigator Program, addresses another new federal program. the term means the outreach, education and technical assistance provided by community-based organizations that target eligible businesses to increase awareness of and participation in programs of the SBA. This is either an extension of services from and with the SBA to disseminate and delivery of services to businesses eligible for assistance and programs made available due to COVID-19.

Section 5005, Shuttered Venue Operators Grant
The program was established by The Economic Aid to Hard-Hit Small Businesses, Non-Profits, and Venues Act, signed into law on December 27, 2020. However, it finds itself under Section 5005 because and additional 1.25 billion was added to the program includes $for a total of 416.25 billion in grants to shuttered venues.

Eligible applicants may qualify for SVO Grants equal to 45% of their gross earned revenue, with the maximum amount available for a single grant award of $10 million. $2 billion is reserved for eligible applications with up to 50 full-time employees.

TITLE VI - ENVIRONMENT AND PUBLIC WORKS

Section 6001 Economic Adjustment Assistance is $3 billion in appropriations to the Economic Development Administration, US Dept. of Commerce. While some of these funds are for the federal government to administer such assistance, the funds in this sector shall be used for assistance to states and communities that have suffered economic injury as a result of job and GDP reductions in travel, tourism or outdoor recreation sectors.

TITLE VII - COMMERCE, SCIENCE AND TRANSPORTATION

Primary focus of attention of this Title is for the railroads, airports and the Emergency FAA & TSA Employees Leave Funds, Aviation Manufacturing Jobs Protection, airlines and specifically payroll support program extension.

In addition, there is support for the Consumer Protection and consumer Product Safety Commission along with expanded budgets to the National Institute of Standards and Technology, the National Science Foundation and the Corporation for Public Broadcasting.

TITLE VIII VETERANS AFFAIRS

There are 8 sections association with this Title. They are primarily focused on claims and appeals processing; Medicare and needs, supply chain modernization, funding of state homes, retraining and organizational items associated with the operations of the Department of Veteran's Affairs.

TITLE IX FINANCE

This is the most extensive and complicated section of the ARPA. This section provides most of the information on unemployment provisions, emergency assistance to families, tax credits Medicaid, Medicare and the State and Local Fiscal recovery funds program.

Subtitle A, Section 9013 Unemployment Compensation

Across the nation, millions of Americans have lost their jobs in the wake of the COVID-19 pandemic and, as a result, claimed unemployment benefits. The ARPA waives federal income taxes on the first $10,200 of unemployment benefits received in 2020 by middle and lower-income taxpayers.

The tax relief extends to both workers who received benefits through federal unemployment programs as well as those who received traditional benefits through their state unemployment insurance fund. This law will provide tax relief for Americans who lost their jobs and utilized unemployment benefits last year – allowing millions of workers to focus their benefits on covering essentials during the COVID-19 pandemic.

Subtitle F, Section 9501 Preserving Health Benefits for Workers

Governmental entities are subject to the enhanced Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). This makes COBRA premium assistance (100% of premiums plus administrative fees) available to "assistance eligible individuals" (AEIs), for periods of coverage between April 1 to September 30, 2021. An AEI is a COBRA qualified beneficiary:

- Who is eligible for COBRA coverage from April 1, 2021, through September 30, 2021.
- Whose qualifying event is the involuntary termination of the AEI's employment during the period or a reduction in hours.

During this six-month period, AEIs are treated as having paid their COBRA continuation coverage premium amounts in full.

If an AEI is eligible for other group health plan coverage, this COBRA premium assistance is not available. Employers (or, in some cases, plans or insurers) receive a credit or refund of an overpayment of payroll taxes as reimbursement for these additional costs.

Notice of Premium Assistance

There are additional COBRA election notice requirements for notices furnished between April 1 to September 30, 2021. In addition to the usual requirements, ARPA requires notice of the following information:

- The availability of premium assistance regarding COBRA coverage under ARPA-21.

The option to enroll in different coverage if the employer permits AEIs to elect enrollment in the different coverage

Part 6, Section 9651 Employee Retention Credit
The American Rescue Plan extends a number of critical tax benefits to small businesses that are intended to help businesses through to the recovery while keeping up their payrolls and still taking steps to protect health outcomes for employees.

ARPA extends the availability of the Employee Retention Credit for small businesses through December 2021 and allows businesses to offset their current payroll tax liabilities by up to $7,000 per employee per quarter. This credit of up to $28,000 per employee for 2021 is available to small businesses who have seen their revenues decline, or even been temporarily shuttered, due to COVID.

The ARPA also extends through September 2021 the availability of Paid Leave Credits for small and midsize businesses that offer paid leave to employees who may take leave due to illness, quarantine, or caregiving. Businesses can take dollar-for-dollar tax credits equal to wages of up to $5,000 if they offer paid leave to employees who are sick or quarantining. Paid Leave Credits are a powerful incentive to encourage the offer of paid sick and family leave, which will help keep the virus under control by ensuring sick employees can stay home.

Title 9, Subtitle M, Section 9901, Section 603 Coronavirus State and Local Fiscal Recovery Funds

In TITLE IX, Subtitle M Section 9901, Section 602 & 603 it establishes the State and Local Fiscal Recovery Funds Program. The ARPA provides $350 billion dollars in emergency funding for state, local, territorial, and Tribal governments to remedy this mismatch between rising costs and falling revenues. This includes:

- $195 billion for states, (a minimum of $500 million for each State);
- $130 billion for local governments (a minimum of $1.25 billion per state is provided by the statute inclusive of the amounts allocated to local governments within the state);
- $20 billion for tribal governments; and
- $4.5 billion for territories

The ARPA will provide needed relief to state, local, and tribal governments to enable them to continue to support the public health response and lay the foundation for a strong and equitable economic recovery.

In addition to helping these governments address the revenue losses they have experienced as a result of the crisis, it will help them cover the costs incurred due responding to the public health emergency and provide support for a recovery – including through assistance to households, small businesses and nonprofits, aid to impacted industries, and support for essential workers. It will also provide resources for state, local, and tribal governments to invest in infrastructure, including water, sewer, and broadband services.

Title 9, Subtitle M, Section 9901, Section 604, Capital Projects Fund
The COVID-19 crisis starkly illuminated key shortcomings and inequalities in U.S. infrastructure. While some communities were able to adapt to the pandemic with remote or socially-distanced options for

work, education and health care, others lacked the infrastructure needed to do so. The disruptions of the pandemic exacerbated existing inequalities, with long-term consequences for American families.

One particularly salient infrastructure challenge has been the digital divide and the absence of foundational conditions that enable network connectivity and access. As more and more areas of work and education move online, this divide risks leaving many American families behind.

Recognizing these challenges, the ARPA provides $10 billion for states, territories, and Tribes to cover the costs of capital projects like broadband infrastructure.

The Capital Projects Fund takes critical steps to addressing these challenges laid bare by the pandemic, especially in rural America and low- and moderate-income communities, helping to ensure that all communities have access to the high-quality, modern infrastructure needed to thrive, including internet access.

TITLE X FOREIGN RELATIONS
Section 10001 Dept. of State Operations.
Section 10002 provides assistance to the US Agency for International Development.
Section 10003 Global Response provides assistance on public health issues.
Section 10004 Humanitarian Response
Section 10005 Multinational Assistance.

TITLE XI INDIAN AFFAIRS
Section 11001 Indian Health Service
Section 11002 Housing Assistance for Native Americans
Section 11004 Preservation and Maintenance of Native American Languages
Section 11005 Bureau of Indian Education
Section 11006 American Indian, Native Hawaiian and Alaska Native Education

ARPA Overview

- **The American Rescue Plan Act became law on March 11, 2021 (P.L. 117-2)**
- **Third major pandemic aid law**
  - (1) CARES
  - (2) Coronavirus Relief and Supplemental Appropriations Act of 2021
  - (3) American Rescue Plan
- **Rescue Plan Theory: Address impacts from the pandemic and shutdowns on:**
  - Individuals
    - Vaccine distribution and infrastructure
    - Direct Payments, Unemployment Insurance, Child Care credits
  - Business
    - Small Business
    - Specific Sectors
      - Aerospace
      - Restaurants
  - Public Sector
    - State, County, Local, Tribal Governments
- **More accountability, eligibility and reporting requirements than previous aid packages – lessons learned**

American Rescue Act

ARPA Recommendations

- Mayor & Finance Director Identify Revenue Holes Created from COVID-19
- Utilize Local Fiscal Recovery Funds
- Approve Strategy to Utilize some of the Remaining Funds to Acquire More Federal Funds through Hiring Contract Grant Writers
- City Mgmt. Team to Identify Opportunities to Serve Community
- Meet with other Local Gov’t Agencies
- Meet with Community Stakeholders

CITY OF Federal Way
Centered on Opportunity

ARPA
State and Local Funding

- For the first time, all 19,000 municipal governments are entitled to a direct, non-competitive federal formula grant from the U.S. Treasury Department.
- All cities, towns, and villages are entitled to a federal grant from the new "Coronavirus Local Fiscal Recovery Fund."
- Aid obligated to municipalities is not in any way mingled with aid obligated to state or county governments.
- Aid for municipalities is protected from state or county interference by iron-clad statutes compelling states to comply, including penalties for states that fail to carry out their responsibilities to small cities and towns.

CITY OF Federal Way
Centered on Opportunity

ARPA
State and Local Funding Cont'd

- The measure provides the following state and local funding:
  - **$195.3 billion for states.** $25.5 billion will be distributed equally among states. Other funds would be allocated based on each state's share of unemployed people. *The state of Washington is estimated to receive $4.25 billion.*
  - **$130.2 billion for local governments.** $65.1 billion for counties, $45.6 billion for metropolitan cities, and $19.5 billion for towns with fewer than 50,000 people.
  - States and localities are allowed to transfer their funding to certain public entities, including special purpose districts – this was not clarified in the CARES Act

CITY OF Federal Way
Centered on Opportunity

ARPA
State and Local Funding Cont'd

- **Eligible Uses.**
  - Respond to the Covid-19 emergency and address its economic effects, including through aid to households, small businesses, nonprofits, and industries such as tourism and hospitality.
  - Provide premium pay to essential employees or grants to their employers. Premium pay couldn't exceed $13 per hour or $25,000 per worker.
  - Provide government services affected by a revenue reduction during the pandemic.
  - Make investments in water, sewer, and broadband infrastructure.

- **Other funding for states and localities:**
  - **$10 Billion for Capital Projects.** Funding to carry out capital projects to support work, education, and health monitoring during COVID-19. This could include broadband and other network infrastructure funding.
  - **$3 billion to the Economic Development Administration.** This will provide additional funding for existing EDA programs.

CITY OF Federal Way
Centered on Opportunity

ARPA
State and Local Funding Cont'd

- **$65.1 billion in funding to address an estimated $90 billion combined revenue shortfall.**

- **Grant Calculations are Based on a Modified CDBG formula**
  - 70% of funds, or $45.5 billion, is obligated to cities with 50,000 or more residents
  - Grant calculations based on population size, poverty rates, and measures of housing instability. *(Prioritizes targeting to need)*

BE PATIENT
US TREASURTY DETERMINES THE CALCULATION

- **2 Year Funding Certainty**
  - Grants will be released in 2 tranches. (½ following enactment and ½ 12 months following receipt of first payment).

- **Spending Deadline**
  - Money remains available until December 31, 2024; unexpended funds must be returned to Treasury.

ARPA
Individuals & Families

Direct Stimulus Payments

- $1,400 per person, reduced eligibility ($80,000)
- Local governments should have an economic mobility strategy

Tax Credits

- Enhances Earned Income, Dependent Care, and Child Tax Credit
- Employee Retention Credit and Paid Leave Credit
- Makes states and local governments eligible for FFCRA paid leave reimbursable tax credit, beginning March 31, 2021

ARPA
Individuals & Families Cont'd

Benefits

- Enhanced Unemployment Insurance
- Extends Supplemental Nutrition Assistance Program (SNAP)
- Extends Special Supplemental Nutrition Program for Women, Infants, and Children (WIC)

CITY OF Federal Way
Centered on Opportunity

ARPA
Small Businesses

- $7.25 billion in additional lending authority for the Paycheck Protection Program
  - Application process and requirements will be similar, but more stringent on proving business losses
- $28.6 billion for a Restaurant Revitalization Fund to be administered by the SBA
  - Eligible recipients would include restaurants, bars, food trucks, and caterers. Grant amounts would cover the difference between an entity's revenue in 2020 compared with 2019.
  - Awards would be reduced by amounts received through the Paycheck Protection Program.
  - Eligible expenses generally would include payroll costs, mortgage and rent payments, supplies, normal food and beverage costs, and paid sick leave.

ARPA
Small Business

- $15 billion for SBA's Economic Injury Disaster Loan (EIDL) program
  - The SBA would have to allocate $10 billion to covered entities that didn't receive their full eligible advance payments under the year-end relief package. Those entities include recipients with 300 or fewer employees and economic losses of at least 30% over eight weeks compared with a similar period before the pandemic.
- $10 billion for the State Small Business Credit Initiative
- Funding for Shuttered Venue Operators

CITY OF Federal Way
Centered on Opportunity

ARPA – COVID-19 Testing, Vaccines, and Healthcare

- Supplemental vaccination and testing grants for state and local distribution
- Funding available to state and local government public health departments to support workforce
- Funding available for community health centers
- Block grants under the Substance Abuse and Mental Health Services Administration
- Medicaid and Medicare provisions that will apply at the state level, ACA provisions
- 100% COBRA subsidy

CITY OF Federal Way
Centered on Opportunity

ARPA
Human Services

- Child Care and Development Block Grant –these go to the State then to providers
- Child Care Stabilization grants; Child Care Entitlement to States
- Emergency Funding to states for low-income families with children
- Mental Health Services Block grant
- Grants to Community Behavioral Health Clinics
- Funds for Head Start, home visiting programs, child abuse prevention and treatment grants, family violence grants
- Older American Act funding, including nutrition programs
- LIHEAP for energy assistance, plus water/sewer assistance

CITY OF Federal Way

ARPA
Transportation & Emergency

- Federal Emergency Management Agency (FEMA)
  - Maintain 100% FEMA reimbursement to states and local governments (Apply!)
  - FEMA firefighter, SAFER, and emergency management performance grants (Suggest joint grant)

- Transportation
- $30.5 Billion for Transit Agencies
  - Agencies can generally use the money for operating expenses including payroll costs and purchasing PPE
  - Airport & Railroad funding –costs related to operations and COVID response; airports aid

CITY OF Federal Way
Centered on Opportunity

ARPA
Education

- ESSERF: School districts ventilation systems, support staff, reduced class sizes, PPE, learning loss remediation --Must have plan to return to in-person operations
- IDEA funding, non-public schools through governor; School and library internet funding through FCC E-rate program
- States must maintain spending on both K-12 and higher education in FY 2022 and FY 2023 at least at the proportional levels relative to a state's overall spending, averaged over FY 2018, FY 2019 and FY 2020.
- States cannot cut per-pupil spending for high-need districts more than other districts; cannot fund highest-poverty districts below FY19 funding

ARPA
Housing

- Emergency rent relief and utility assistance; extra for rural housing
- Homeowner Assistance Fund –mortgage payments, property taxes, utilities, insurance
- Housing –not more than 15% of funds can be used for admin by states and local governments
- VA construction funds to upgrade homes; support for state-operated facilities
- Emergency housing vouchers to address homelessness

CITY OF Federal Way

Recommendations & Takeaways

1. **Use dedicated grants and programs first whenever possible**

   Save Local Fiscal Recovery Funds for gaps and priorities not eligible for other federal and state assistance programs

2. **Assess government operations AND community needs**

   Ask staff and stakeholders for help creating a comprehensive needs assessment

3. **Prioritize fiscal stability and returning to work**

   Save pet projects for earmarks

4. **Maintain records and document success**

   Create long-term information infrastructure for your future leaders

5. **Your Congressional Delegation is part of your success**

   Invite Members of Congress to re-openings, ribbon-cuttings, etc...

DRAFT

CITY COUNCIL
SPECIAL MEETING MINUTES
Remote Meeting
April 20, 2021 – 5:00 p.m.

1. CALL MEETING TO ORDER

Mayor Ferrell called the meeting held remotely to order at 5:03 p.m.

City officials in attendance: Mayor Jim Ferrell, Council President Susan Honda, Councilmember Lydia Assefa-Dawson, Councilmember Greg Baruso, Councilmember Hoang Tran, Councilmember Leandra Craft, Councilmember Martin Moore, and Councilmember Linda Kochmar.

City staff in attendance: City Attorney Ryan Call and City Clerk Stephanie Courtney.

2. PLEDGE OF ALLIGIANCE

Mayor Ferrell led the flag salute.

3. STUDY SESSION

a. Hazard Pay Information/Discussion

Communications and Government Relations Coordinator Steve McNey provided information to Council regarding a request by UFCW 21 to enact legislation requiring hazard pay for essential workers in the grocery industry. He also introduced Ms. Sarah Cherin who spoke for UFCW 21 Union and Ms. Holly Chisa from NW Grocer Association.

Mr. McNey reported on other jurisdictions who have discussed or enacted hazard pay including Auburn, Burien, King County for unincorporated areas, and Seattle. He also provided information on companies who are currently paying hazard pay which include Costco and Trader Joe's.

In response to the requests from both the union and the grocers the Council discussed expanding hazard pay to all retailers that have at least 25% of their business as grocery and at least 250 employees corporation wide, a timeline for hazard pay, and the ability to use American Rescue Plan Act funds to create grants for smaller businesses.

Mayor Ferrell stated he will take the direction discussed and provide a draft ordinance at the following regular meeting in May for further discussion and possible action.

4. PUBLIC COMMENT

No public comment was received.

5. EXECUTIVE SESSION

At 6:10 p.m. Mayor Ferrell announced the Council would recess into executive session for the purpose of discussing potential litigation pursuant to RCW 42.30.110(1)(i) for approximately 20 minutes.

- Potential Litigation pursuant to RCW 42.30.110(1)(i)

6. ADJOURNMENT

There being nothing further on the agenda; the special meeting was adjourned at 6:26 p.m.

DRAFT

CITY OF Federal Way

CITY COUNCIL
REGULAR MEETING MINUTES
Remote Meeting
April 20, 2021 – 6:30 p.m.

1. CALL MEETING TO ORDER

Mayor Ferrell called the meeting held remotely to order at 6:32 p.m.

City officials in attendance: Mayor Jim Ferrell, Council President Susan Honda, Councilmember Lydia Assefa-Dawson, Councilmember Greg Baruso, Councilmember Hoang Tran, Councilmember Leandra Craft, Councilmember Martin Moore, and Councilmember Linda Kochmar.

City staff in attendance: City Attorney Ryan Call and City Clerk Stephanie Courtney.

2. PLEDGE OF ALLIGIANCE

Mayor Ferrell led the flag salute.

3. PRESENTATIONS

a. Mayor's Issues and Report

- **COVID-19 Update**: Policy Advisor Bill Vadino provided an update regarding COVID-19 noting the next review will occur May 3. He noted King and Snohomish Counties are currently on the cusp with only missing one metric while Pierce County was moved back to Phase 2. Information received from King County Public Health estimates future case counts will increase due to Spring Break related travel and activities. He also provided information on vaccines and reported a plan to increase outreach to communities showing vaccine hesitancy.

- **Federal Way Farmers Market**: Mayor Ferrell reported the opening day of the market will be Saturday, May 1 at 10:00 a.m. in a new location. It will still be in the parking lot, but behind Dick's Sporting Goods at the Commons Mall.

- **Black Community Quarterly Meeting**: Mayor Ferrell announced the next quarterly meeting with the African American/Black Community was scheduled for April 21 at 6:30 p.m. via Zoom. He noted there will be additional information and posts on social media providing access information for this meeting.

- **Community Updates**: Mayor Ferrell reported the next meeting of the Business Resiliency Task Force will be held on Thursday, April 22 at noon via Zoom and

the Community Continuity Task Force will meet Friday, April 23 at noon via Zoom.

b. Financial Update

Finance Director Ade Ariwoola provided an overview of the General Budget noting the revenues are significantly reduced when compared to the budget amendment in December 2020. The city has increased funding for Dumas Bay Centre, the Community Center, and the Performing Arts and Event Center. He provided a detailed list of 2020 General Fund Revenues and highlighted significant shortfalls in areas such as Admissions Tax and Parks Revenue. He provided further analysis of the fund balances and summarized potential requests for the general fund will outpace available funding.

Mayor thanked Mr. Ariwoola for the presentation and announced his upcoming retirement after seven years with the city and 35 years in government.

c. Council Committee Reports

Parks/Recreation/Human Services/Public Safety Committee (PRHSPS): Chair Kochmar shared the last meeting was held April 13 and reviewed the items that the committee forwarded to the Council agenda tonight for final approval.

Land Use/Transportation Committee (LUTC): Chair Baruso reported on the meeting held on April 5 and highlighted the items on the agenda for final Council approval. He noted the next meeting is scheduled for May 3 via Zoom.

Finance, Economic Development Regional Affairs Committee (FEDRAC): Chair Tran noted the next meeting is April 27 at 5:00 p.m. on Zoom.

Lodging Tax Advisory Committee (LTAC): Councilmember Assefa-Dawson reported the committee is discussing tourism-related issues with the hoteliers and provided pandemic related information related to the hotel industry. She reported the next meeting will be May 12 at 10:00 a.m.

Regional Committees Report (PIC): Councilmember Moore reported the last meeting included a legislative update and a discussion on fireworks in unincorporated King County. He noted the Best Starts for Kids Initiative was also discussed.

Council President Report: Council President Honda thanked the citizens who contacted Sound Transit during the comment period for the DEIS for the Operations and Maintenance Facility-South. She reported on the Needle Exchange working group meeting noting they will continue to meet and provide a recommendation to the Mayor and Council.

Mayor Ferrell thanked Council President Honda for her leadership and on this issue and for chairing this group.

4. PUBLIC COMMENT

Email from Cheryl Hurst read by the City Clerk regarding the City of Auburn and Tacoma banning camping and public sleeping and the potential effect it will have on Federal Way.

5. CONSENT AGENDA

a. Minutes: April 6, 2021 Regular and Special Meetings

b. 2021 Storm Drain CCTV Inspection and Assessment – Bid Award

c. ~~WSDOT Operations and Maintenance Agreement for Adaptive Traffic Control System~~

d. Arts Commission 2021 Contract for Services

e. 2021-2022 Human Services Commission Work Plan

f. Interlocal Agreement with Public Health of Seattle King County for the South King County Mobile Medical Program

g. Edward Byrne Memorial Justice Assistance Grant (JAG) Program for Fiscal Year (FY) 2020

h. Agreement between the Washington Traffic Safety Commission (WTSC) and the Federal Way Police Department to Provide Grant Funding for Traffic Enforcement

i. Lakehaven Utility District Water Main Easement – Lakota Park

Councilmember Baruso pulled Item c/WSDOT Operations and Maintenance Agreement for Adaptive Traffic Control System as requested by WSDOT for additional revisions. This item will return to Council at a later date.

COUNCIL PRESIDENT HONDA MOVED APPROVAL OF ITEMS A AND B AND ITEMS D THOUGH I ON THE CONSENT AGENDA; SECOND BY COUNCILMEMBER BARUSO SECOND.

Council President Honda thanked the Arts and the Human Services Commissions for all of the hard work they do in reviewing applications and bringing recommendations to Council.

Main motion passed unanimously, as follows:

Council President Honda	*yes*	*Councilmember Craft*	*yes*
Councilmember Assefa-Dawson	*yes*	*Councilmember Moore*	*yes*
Councilmember Baruso	*yes*	*Councilmember Kochmar*	*yes*
Councilmember Tran	*yes*		

6. ORDINANCES

First Reading:

a. Council Bill #801/Ordinance Relating to Misdemeanor Possession of Controlled Substances; Adding New Section 6.1.130 to Chapter 6.10 FWRC
AN ORDINANCE OF THE CITY OF FEDERAL WAY, WASHINGTON, RELATING TO MISDEMEANOR POSSESSION OF CONTROLLED SUBSTANCES; ADDING NEW SECTION 6.10.130 TO CHAPTER 6.10 FWRC.

City Attorney Ryan Call provided information regarding this proposed ordinance nothing this ordinance is in response of the *Washington State v Blake* decision which invalidated certain state law provisions that made it a felony to possess specific controlled substances. This court decision means the State cannot currently enforce criminal possession of a controlled substance.

The State Legislature has the ability to remedy this issue but has chosen not to act at this time. Adding the word "knowingly" before possess addresses the point the

court determined at issue. The court was focused on the scenario of an innocent possessor who had no knowledge of the drugs from a borrowed item such as a car or jacket.

This proposed local ordinance creates language to address this issue. If passed, this ordinance would make it unlawful for a person to knowingly possess a controlled substance, other than marijuana, unless the substance was obtained directly from or in accordance with a valid prescription or order of a practitioner. The ordinance would be enforced by the Federal Way Police Department and the city prosecutors in the municipal court as a gross misdemeanor which is punishable with a maximum one year in jail or $5,000 fine.

Prior to the *Blake* decision, cities were not authorized to establish drug possession penalties as it was preempted by state law. If the state legislature does act, it would likely preempt this ordinance.

Mr. Call noted Mayor Ferrell believes it is untenable to allow the consequence-free possession of substances including cocaine, heroin and methamphetamine in the city the size of Federal Way. Without this ordinance possession of these extremely harmful and addictive drugs cannot be addressed criminally.

Councilmembers thanked Mr. Call for the presentation and asked question regarding financial impacts, jurisdictional limits, enforcement and diversion options, and if the penalty is sufficient.

In response to questions on sentencing, Mayor Ferrell noted the Municipal Court judges would be providing a court update at the next regular Council meeting on May 4 and could address these types of questions.

Public Comment:

Emails from Grace Lubrano and Anna Patrick in support of the proposed ordinance were read by the City Clerk.

COUNCILMEMBER KOCHMAR MOVED TO SUSPEND COUNCIL RULE 2.2(H) TO ALLOW FIRST READING AND ENACTMENT OF THE ORDINANCE IN ONE MEETING; COUNCILMERMBER ASSEFA-DAWSON SECOND. The motion passed unanimously, as follows:

Council President Honda	*yes*	*Councilmember Craft*	*yes*
Councilmember Assefa-Dawson	*yes*	*Councilmember Moore*	*yes*
Councilmember Baruso	*yes*	*Councilmember Kochmar*	*yes*
Councilmember Tran	*yes*		

City Clerk Stephanie Courtney read the ordinance title into the record.

COUNCILMEMBER KOCHMAR MOVED APPROVAL AND ADOPTION OF THE PROPOSED ORDINANCE; COUNCILMEMBER MOORE SECOND. The motion passed unanimously, as follows:

Council President Honda	*yes*	*Councilmember Craft*	*yes*
Councilmember Assefa-Dawson	*yes*	*Councilmember Moore*	*yes*
Councilmember Baruso	*yes*	*Councilmember Kochmar*	*yes*
Councilmember Tran	*yes*		

7. COUNCIL REPORTS

Councilmember Kochmar provided information regarding the MRSC Annual Crab feed which will be held June 5.

Councilmember Moore provided no report.

Councilmember Craft commented on the Chauvin trail as a prosecutor and a woman of color noting had she braced herself for a less desirable outcome. She pointed out this was an important verdict for America noting there is more work to be done.

Councilmember Tran congratulated Finance Director Ariwoola on his upcoming retirement. He provided information regarding a peaceful demonstration scheduled for Wednesday at 5:30 p.m. to raise awareness of crimes against the Asian American and Pacific Islander (AAPI) community. This will take place on S 320th Street and will include non-political, non-partisan sign waving.

Councilmember Baruso thanked Mr. Ariwoola for all of his service to the city and for his patience in explaining and answering Council questions. He also echoed comments made earlier regarding the Chauvin verdict and believes there needs to be work done to make sure this never happens again.

Councilmember Assefa-Dawson congratulated Finance Director Ariwoola on his retirement plans and thanked him for answering questions and being responsive. She also agreed today's verdict (Chauvin) was emotional noting it does not make up for all the losses before and after. These are true genuine experiences in the black community and now is not the time to ease up, but move forward.

Council President Honda thanked Councilmember Assefa-Dawson for her words. She thanked Finance Director Ade Ariwoola for his service to the city. She shared a memory from the night he was introduced at his first Council Meeting and her hope they are able to have an in-person send off for him.

8. EXECUTIVE SESSION

- ~~Potential Litigation pursuant to RCW 42.30.110(1)(i)~~ canceled/not needed

9. ADJOURNMENT

There being nothing further on the agenda; the regular meeting was adjourned at 8:12 p.m.

Federal Way *March 2021 Monthly Financial Report - Highlights*

The following are highlights of the March 2021 Monthly Financial Report. Detailed financial information can be found after the summary report.

Notable Areas

Revenues below year-to-date Budget:

1. Parks & Recreation Fees are below 2021 year-to-date budget by $178K or 68.3%, and $18K or 17.7% below 2020 year-to-date actuals. This is primarily due to parks facilities closing for Covid-19 on March 12, 2020.
2. Court and probation revenues are below 2021 year-to-date budget by $54K or 19.8%, and $8K or 2.7% below 2020 year-to-date actuals.
3. Admissions tax is below 2021 year-to-date budget by $71K or 92.3%, and $46K or 88.7% below 2020 year-to-date actuals. This is due to the AMC movie theater closing and Covid-19 pandemic.

Revenues above year-to-date Budget:

1. Sales Tax is $0.11M or 4.1% above 2021 year-to-date budget, and $0.02M or 0.6% above 2020 year-to-date collections.
2. CD Permits & Fees is $0.5M or 91.6% above 2021 year-to-date budget and $0.5M or 97.8% above 2020 year-to-date collections.
3. Utility Tax is $0.16M or 6.1% above 2021 year-to-date budget, and $0.70M or 32.9% above 2020 year-to-date collections.
4. Business License Fees are $298 or 0.2% above 2021 year-to-date budget, but $50K or 24.4% below 2020 year-to-date collections. Business licensing fees are received based on the State anniversary date, therefore revenue is lower at the beginning of the year, and will grow more evenly throughout the year.

General & Street Fund Summary

Revenues are below the year-to-date budget by $0.1M or 2.3%. Criminal justice sales tax, admissions tax, gambling tax, state shared revenue, leasehold tax, court and probation revenue, passport agency fees, parks and general recreation fees, police services, and interest earnings are primarily responsible for the decrease in revenues. Property tax, Sales tax, CD and PW permits and fees, and business license fees are above the year-to-date budget.

Total General & Street Fund expenditures are below the year-to-date budget by $0.9M or 8.7%. Police is under year-to-date budget by $0.15M due to timing of expenditures and filling of vacant positions.

Property tax is above 2020 year-to-date actual by $65K or 11.9%, and above 2021 year-to-date budget by $51K or 9.1%.

Sales tax is above 2020 year-to-date actual by $0.02M or 0.6%, and above 2021 year-to-date budget by $0.11M or 4.1%.

Additionally, **criminal justice sales tax** collected county-wide is below 2020 year-to-date actual by $19K or 3.6%, and below 2021 year-to-date budget by $61K or 10.6%.

Community Development permits and fees are above the 2020 year-to-date actual by $0.5M or 97.8%, and above 2021 year-to-date budget by $0.5M or 91.6%. In 2021, there was one large permit/review fee for Redondo Heights Senior Living facility.

Court revenue is below 2020 year-to-date actual by $7K or 2.8%, and below 2021 year-to-date budget by $40K or 14.2%. This is primarily due to a decrease in traffic and non-parking infraction enforcement.

Probation revenue is below 2020 year-to-date actual by $1K. As of the end of March, probation revenue is $25K less than expenditures, although the probation division was intended to be self-sufficient. New state law prevents the City from aggressive collection of both court and probation fees from indigent individuals; most individuals in our courts are identified as indigents.

Admissions Tax is being paid monthly and as of the end of March, the City has collected $6K, which is $46K below actuals last year. This is due to the AMC movie theater closing and Covid-19 pandemic.

Business License Fees is above 2021 year-to-date budget by $298 or 0.2%, but below 2020 year-to-date actual by $50K or 24.4%. Business licensing fees are received based on the State anniversary date, therefore revenue is lower at the beginning of the year, and will grow more evenly throughout the year. Using the State system allows us to see or find businesses that are located in Federal Way with a State license but without a city license. We have professionally and aggressively gone after these businesses.

Park & General Recreation Fees is below 2021 year-to-date budget by $178K or 68.3%, and $18K or 17.7% below 2020 year-to-date actuals. This is primarily due to parks facilities closing for Covid-19 on March 12, 2020.

*The Miscellaneous/Other/Grants revenue of ($202,496) is due to accrued revenue from billings for Police Grants and other local grants that have not been paid.
**The Human Resources/City Clerk expenditure of ($14,959) is primarily due to $245K in accrued expenditures from King County election invoices that have not been paid, offset by current year department expenditures.

Designated Operating Funds

Expenditures are below 2021 year-to-date budget by $1.51M or 30.6% and are primarily due to timing of payments in Arterial Streets, Hotel/Motel Lodging Tax, Traffic Safety, Surface Water Management, Federal Way Community Center, Jail Services, and Covid-19 resulting in facilities closing and staff working remotely.

Jail is under the year-to-date budget by $0.55M or 66.9% primarily due to having lower average daily population (ADP) of inmates. The budgeted ADP is 70, but actual ADP is 21.9 for January, and 20.2 for February. March ADP will be available for the April report. Per Council & Mayor's request a separate fund was created for jail services to track the expenses and save for future needs.

Utility tax revenues received year-to-date as reported on the monthly financial report totals $2.8M and is $0.70M or 32.9% above 2020 year-to-date actual, and $0.16M or 6.1% above 2021 year-to-date budget.

The following is the comparison of 2021 year-to-date actual to 2020 year-to-date actual by category:

Electricity – current year-to-date increase by $29K or 3.0%
Gas – current year-to-date increase by $113K or 26.7%
Water/Sewer – received $212K year-to-date, with no amount received in 2020
Solid Waste – current year-to-date increase by $410K or 210.1%
Cable – current year-to-date decrease by $11K or 3.8%.
Cellular – current year-to-date decrease by $61K or 44.5%.

Federal Way Community Center 2021 year-to-date revenues of $145K is below 2021 year-to-date budget by $349K or 70.7%, and below 2020 year-to-date actual by $0.2M or 60.4%. 2021 year-to-date expenditures of $0.39M is below 2021 year-to-date budget by $164K or 29.8%, and below 2020 year-to-date actual by $154K or 28.4%. The ending fund balance of $1.50M meets the required reserve fund balance policy of $1.5M.

Real estate excise tax 2021 year-to-date revenues of $0.8M is above 2020 year-to-date actual by $0.14M or 22.1%, and above the 2021 year-to-date budget by $0.02M or 2.4%. In March, there were 145 taxable residential sales (total sales $60.2M / $298K tax), and 4 commercial sales (total sales $8.4M / $42K tax). King County real estate market seems to be doing very well.

Utility Tax (Total 7.75%)

The utility taxes year-to-date is $0.70M or 32.9% above 2020 year-to-date actual due to extension of utility tax on water and sewer services, and $0.16M or 6.1% above 2021 year-to-date budget. There is usually a two month lag in utility tax revenue. The utility tax collected by utility companies for January 2021 is paid to the City in March 2021.

Hotel/Motel Lodging Tax

Hotel/Motel lodging tax received year-to-date in 2021 is $16K and is below 2020's year-to-date collections by $23K or 58.8%. 2021 year-to-date receipts are below year-to-date projections by $5K or 22.4%. The lodging tax collected for January 2021 is paid to the City in March 2021. Hotel/Motel lodging tax is one of the programs greatly affected by COVID-19 due to people traveling less.

Police Department

The total overtime budget of $1.39M consists of $1.08M for City overtime and $310K for billable time.

City's portion of overtime is $92K or 34.9% below year-to-date projections.

Compared to year-to-date 2020 actuals, City's portion of overtime is below by $122K. Including the decrease in billable overtime, total overtime decreased by $128K or 33.7% below the same time last year. COVID-19 is having an impact on this as well, due to the mall closing, and Enchanted Village just coming back.

The March overtime decrease of $4K below 2020 year-to-date actual is primarily due to a decrease in shift-call in and shift extension for special investigations.

Intergovernmental jail services in 2018 and 2019 are payments to SCORE.
2018 Debt Service of $934K was paid for by SCORE. In 2019 SCORE Debt was refinanced and includes debt service refinance costs.

In addition to the $3.30 million budget above, the City continues to be liable for its portion of the debt service on the SCORE building. The total remaining principal debt the City owes as of 12/31/2020 for SCORE is $10,565,000, and we're servicing this debt by about $0.9 million a year.

Traffic Safety – Red Light / School Zone

Traffic Safety Red light & school zone enforcement revenues are accounted for in the Traffic Safety Fund to be used for, but not limited to prevention, education, and enforcement efforts related to traffic safety and compliance with traffic control devices within the City, including maintenance and operations costs. Traffic Safety Fund pays for 1 Lieutenant, 8 Police Officers, 3 City Traffic positions, Municipal Court security services, red light photo services, Valleycomm emergency communication services, School Zone Enhancements capital improvement projects, and patrol vehicles.

The operating revenue budget includes $1.97M in user fees/program revenues, and $279K contribution from utility tax.

Year-to-date operating revenues total $0.14M which is $349K or 70.7% below the 2021 year-to-date budget. In comparison to 2021's year-to-date budget:

- **Daily Drop-in revenues** are $91K or 98.8% below the projected revenue, and $67K or 98.4% below last year. Revenues are down due to Covid-19. The Community Center reopened for limited activities on January 18th, 2021. Main revenue drivers such as the pool, gym and classes are limited in capacity.
- **Pass Revenues** are $137K or 64.5% below the projected revenue, and $112K below last year. Revenues are also down due to Covid-19.

- **Aquatic Programs/Lessons** are $1K or 3.0% below the projected revenue, but $11K above last year. Due to the Covid-19 pandemic the pool was closed, but has now reopened as of January 18th, 2021. Lessons began in February with limited capacity and allowance.
- **Rentals** are $46K or 74.3% below the projected revenues, and $20K below last year. Rental allowances due to Covid-19 are severely limited.
- **Youth Athletic Programs** are $9K or 73.8% below the projected revenues. Revenues are also down due to Covid-19 and closing of the Community Center.

Year-to-date operating expenditures total $0.4M which is $164K or 29.8% below the year-to-date budget. Federal Way Community Center has recovered 37.4% of operating expenditures compared to 67.7% this time last year. The year-to-date budgeted recovery ratio is 89.6%.

- **Personnel Costs** are $73K or 19.9% below the projected budget. The facility was closed to the public as of March 12th, 2020, and reopened on January 18th, 2021.
- **Supplies** are $20K or 43.6% below the projected budget. Due to the facility being closed, building maintenance supplies have been reduced.
- **Other Services and Charges** are $21K or 44.1% below the projected budget due to Covid-19 and closure of the facility. The facility has required less major repair and maintenance due to the facility being closed.

Community Center remaining debt service principal as of 12/31/2020 was $8.85M.

Dumas Bay Centre

Dumas Bay Centre Fund year-to-date revenue of $8K is $188K or 96.0% below 2021 year-to-date budget of $196K, and $120K or 93.8% below year-to-date 2020 actual.

Year-to-date operating expenses total $101K, which is $112K or 52.7% below 2021 year-to-date budget of $213K. Dumas Bay Centre has recovered 7.82% of operating expenditures compared to 59.99% of the same time last year.

Due to the Covid-19 pandemic this facility was closed to the public as of March 12th, 2020, and as of the end of March is still not open.

Self-Insured Health Insurance Fund

Self-Insured Health Insurance Fund year-to-date contributed revenue is $1.4M. Currently the revenue is generated from the employee paid contribution (ranges from $37 to $147 per employee per month) and the employer paid contribution (ranges from $730 to $2,052 per employee), varying depending on number of dependents. The City will maintain a reserve in the amount not less than 16 weeks of budgeted expenses ($3.0 million) as recommended by our consultant. Self-Insured Health Insurance Fund year-to-date expenditures are $0.9M for prescription services, medical services, stop loss, professional services, and wellness program. The ending fund balance for the program is $3.6M. Our consultant is recommending a premium increase of 4% in the next two years and 8% in 2023.

**The Fund balance prior to any adjustments or depreciation*

*** The General and Street Fund required fund balance is $9.5M and the current ending fund balance as of 03/31/2021 is $9,574,269. Until we receive our first property tax payment in April, revenues will be under expenditures.*

****The Traffic Safety Fund current ending fund balance as of 03/31/2021 is $1,137,721, and is below the required fund balance of $1,200,000 primarily due to decreased red light photo infraction revenue due to Covid-19.*

*****The Risk Management Fund current ending fund balance as of 03/31/2021 is $496,039, and is below the required fund balance of $600,000 primarily due to the timing of paying insurance expenditures for the year.*

******The Health Self Insurance Fund will maintain a reserve in an amount not less than 16 weeks of budgeted expenses as recommended by our consultant.*

*******The Unemployment Insurance Fund ending fund balance as of 03/31/2021 is $237,032, and is below the required fund balance of $250,000 primarily due to increased unemployment claims due to Covid-19 layoffs.*

COUNCIL MEETING DATE: May 04, 2021 **ITEM #: 5c**

CITY OF FEDERAL WAY
CITY COUNCIL
AGENDA BILL

SUBJECT: AP VOUCHERS 03/16/2021 -04/15/2021 AND PAYROLL VOUCHERS 03/01/2021-03/31/2021

POLICY QUESTION: Should the City Council approve the AP vouchers in the total amount of $3,717,239.84 and payroll vouchers in the total amount of $3,781,105.24?

COMMITTEE: Finance, Economic Development, and Regional Affairs Committee **MEETING DATE:** April 27, 2021

CATEGORY:

☒ **Consent**	☐ **Ordinance**	☐ **Public Hearing**
☐ **City Council Business**	☐ **Resolution**	☐ **Other**

STAFF REPORT BY: Adé Ariwoola, Finance Director **DEPT:** Finance

I, the undersigned, do hereby certify under penalty of perjury that the materials have been furnished, the services rendered, or the labor performed as described herein and that the claims are just and due obligations against the City of Federal Way, Washington, and that I am authorized to authenticate and certify said liens.

Finance Director

Attachments: Voucher List

Options Considered:

MAYOR'S RECOMMENDATION:

MAYOR APPROVAL: 4/20/21 Committee 4/20/21 Council **DIRECTOR APPROVAL:** Initial

COMMITTEE RECOMMENDATION:

I move to forward the vouchers to the May 04, 2021 consent agenda for approval.

Tran via Zoom JP — Committee Chair
Craft via Zoom JP — Committee Member
Kochmar via Zoom JP — Committee Member

PROPOSED COUNCIL MOTION: *"I move approval of the vouchers pursuant to RCW 42.24."*

(BELOW TO BE COMPLETED BY CITY CLERKS OFFICE)

CITY OF FEDERAL WAY
MEMORANDUM

DATE: April 27, 2021
TO: FEDRAC Committee
VIA: Jim Ferrell, Mayor
FROM: EJ Walsh, P.E., Public Works Director
SUBJECT: ***Dump Truck Replacement***

FINANCIAL IMPACTS:

No general fund impacts are proposed.

The approved 2021-2022 budget contained a combined available budget of $496,000 for the replacement of two dump trucks and associated plows and sanders.

In preparing the 2021-2022 budget for the replacement of these vehicles the available budget was developed by combining the collected reserves, surplus value, and use of unallocated funds within the 504 Fleet Account. The collected reserves for both vehicles is $340,074. The anticipated surplus values for both trucks, plows and sanders, developed after consulting with the State Department of Enterprise Services, was $73,500. An additional $83,157 of unallocated funds from the surplus of previous Public Works equipment was included to reach the available budget of $496,000.

The quoted price for the two trucks, through the Sourcewell (formerly NJPA) Purchasing Contract (Federal Purchasing Contract) is $257,987.26. The quoted price for the two bodies, two plows and sanders, through the Washington State Purchasing Contract is $297,604.90. Associated tax is $56,333.18. The combined total is $611,925.34. Licensing and truck decals, combined, is approximately $300 additional.

The difference in quoted price and available budget is a shortfall of $115,925.34 plus licensing and truck decals.

The budget shortfall is proposed to be funded through utilization of equipment surplus funds received from the surplus of 2020 Fleet Equipment in the amount of $51,223.96 and reserves from equipment that has been previously disposed of in the amount of $65,033.92 for a combined total increase of $116,257.88.

The proposed combined budget is $612,257.88.

BACKGROUND:

Replacement of two of the City dump trucks was reviewed and included within the approved 2021-2022 budget based on their condition, maintenance history and needed repairs to continue to keep them operational.

The first truck (253) is a 2003 5 Yard Sterling Dump Truck with an associated sander (253B) and plow / plow harness (253C). This truck was scheduled to be replaced in 2018.

The second truck (2570) is a 2008 10 Yard Peterbilt Dump Truck with an associated sander (257A) and plow / plow harness (257B). This truck was scheduled to be replaced in 2017.

During the winter, these trucks are used for snow and ice operations as emergency vehicles. For the remainder of the year they are used to haul materials and equipment for maintenace operations.

When the trucks were originally purchased, and capitilized values were determined for collection of reserves for future replacement, the truck and body invoice pricing from the time of purchase was utilized. The cost of additional original required upgrades, including the plow controls, salt spreader control systems, hazard lighting, etc was not included. The cost of inflation from 2003 and 2008 respectively was also not included within the capitalized values.

When the original determined capitilized values were reached in 2018 and 2017 respectively the collection of reserves towards these vehicles stopped.

Since 2003 and 2008 the replacement cost of these vehicles has risen significantly due to stricter environmental and DOT regulations, cost of raw materials, and inflation. None of these increases were included within the capitilized replacement values.

Public Works staff has worked with both the truck manufacturer and the upfitter company to reduce the size and options of the trucks to the greatest extent possible.

To obtain the lowest cost, multiple procurement contracts are being utilized. Both trucks are quoted through the Sourcewell (formerly NJPA) Purchasing Contract (Federal Purchasing Contract) and the upfitting for both is quoted through the Washington State Purchasing Contract.

The truck manufacturer has also notified us that the trucks will have a 7% price increase through Sourcewell in mid May and the upfitter has notified us that they have requested a 5% increase effective upon approval of the State. Both increases are a result of raw material costs. These price increases are not reflected in the above costs.

ORDINANCE # _____
RESOLUTION # _____

ORDINANCE NO. _____

AN ORDINANCE of the City of Federal Way, Washington, relating to hazard pay for grocery workers in response to the emergency situation created by COVID-19.

WHEREAS, in response to COVID-19, on February, 29, 2020, Governor Inslee declared a state of emergency; on March 9, 2020, the Federal Way Mayor declared a State of Emergency; and on March 11, 2020, the World Health Organization declared that COVID-19 was a global pandemic; on March 13, 2020 the President of the United States declared a national emergency due to the COVID-19 pandemic; and

WHEREAS, in response to COVID-19, the federal and state governments have imposed eviction moratoria, provided financial support, and imposed public health orders to protect people and businesses; and

WHEREAS, one of the principle methods of reducing spread of COVID-19 has been to limit public gatherings and where possible require workers to perform their duties at home; and

WHEREAS, during this pandemic, many workers who provide services deemed essential to the continued functioning of society cannot do their jobs remotely from home and have continued to work jobs that require contact with the public outside of their homes resulting in increased personal risk of exposure to COVID-19 for themselves and their families; and

WHEREAS, according to the Brookings Metropolitan Policy Program, the United States' top retail companies, including grocery businesses, have generated record-breaking profits during the pandemic, with the top retail companies accumulating on average an additional $16.7 billion in profits over the previous year amounting to a 40% increase in profits; and

WHEREAS, these profits are at least in part due to the efforts of grocery employees and other essential workers working despite a lethal pandemic and an above-average risk of exposure to COVID-19 in their workplace; and

WHEREAS, in a study conducted by researchers including Dr. Justin Yang, an assistant professor at Boston University School of Medicine and researcher at Harvard TH Chan School of Public Health, found that the positive rate of infection among grocery employees was five times as likely for those who interacted with customers than for those who did not; and

WHEREAS, the City Council finds that it serves to protect the public health of the people of the City of Federal Way to require employers of grocery store workers to provide an increased wage to their frontline workers during this pandemic, helping workers to afford to take sick leave, to encourage grocery workers to continue working to provide the public with food, to incentivize grocery workers to protect their health and the public's health, and to protect the public and other workers from illness.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF FEDERAL WAY, WASHINGTON, DO ORDAIN AS FOLLOWS:

Section 1. The City Council finds and declares that:

A. In the exercise of the City of Federal Way's police powers, the City is granted authority to pass regulations designed to protect and promote public health, safety, welfare.

B. This ordinance protects and promotes public health, safety, and welfare during the COVID-19 emergency by requiring grocery businesses to provide hazard pay for frontline grocery employees, thereby increasing retention of employees who provide essential services on the

frontlines of a global pandemic and paying additional compensation to those employees for the hazards of working with significant exposure to an infectious disease.

C. On January 30, 2020, the World Health Organization (WHO) declared that COVID-19 constituted a public health emergency of international concern.

D. On February 29, 2020, Washington Governor Jay Inslee issued proclamation 20-05, proclaiming a state of emergency for all counties throughout the state of Washington in response to new cases of COVID-19, and directing state agencies to use all resources necessary to prepare for and respond to the outbreak.

E. On March 9, 2020, Mayor Jim Ferrell proclaimed a state of emergency in response to new cases of COVID-19, authorizing the Mayor to exercise the emergency powers necessary to take extraordinary measures to prevent death or injury of persons and to protect the public peace, safety and welfare, and alleviate damage, loss, hardship or suffering.

F. On March 23, 2020, Washington Governor Jay Inslee issued Proclamation 20-25, a "Stay Home – Stay Healthy" order closing all non-essential workplaces, requiring people to stay home except to participate in essential activities or to provide essential business services, and banning all gatherings for social, spiritual, and recreational purposes. This order was extended through May 31, 2020. The "Stay Home – Stay Healthy" proclamation identified grocery employees as "Essential Critical Infrastructure Workers" performing work to protect communities and ensure continuity of functions critical to public health and safety, as well as economic and national security.

G. On May 4, 2020, Washington Governor Jay Inslee announced a "Safe Start" plan to start on June 1, 2020 to reopen Washington's economy in phases with adequate social distancing measures and health standards in place.

H. In October 2020, The British Medical Journal, Occupational & Environmental Medicine, reported that grocery employees face a serious risk of COVID-19 infection and associated psychological distress. A study of 104 grocery employees at a grocery store in Boston, Massachusetts found that 20 percent tested positive for COVID-19 despite 91 percent of employees reporting wearing a face mask at work and 77 percent of employees reporting wearing masks outside of work. The positive rate of infection among grocery employees was five times as likely for those who interacted with customers than for those who did not. Additionally, the study found that 76 percent of employees had no symptoms, suggesting that these employees could be an important reservoir of asymptomatic infection. Further, 24 of the 99 employees who filled out a related medical health questionnaire also reported experiencing anxiety, and eight employees were deemed depressed from their questionnaire answers.

I. In November 2020, the Brookings Metropolitan Policy Program reported that the profits of top retail companies, including grocery businesses, soared during the pandemic while their employees earned low wages and, with few exceptions, failed to receive consistent or meaningful additional compensation for performing life threatening work. The report found that the top retail companies in their analysis earned on average an extra $16.7 billion in profit compared to the previous year – a 40 percent increase. Frontline retail employees experienced little of this windfall, averaging a 10 percent pay increase on top of wages that were often too low to meet a family's basic needs.

J. Throughout the entirety of the COVID-19 emergency, grocery businesses have been operating in Federal Way and relying upon the work of grocery employees who are highly vulnerable to health and safety risks.

K. Grocery employees are essential workers performing services that are fundamental to the economy and health of the community during the COVID-19 crisis. They face clear dangers at their jobs and continue to risk their lives and the health of their families to keep the community's food supply chain operating.

L. Grocery businesses are profiting during the pandemic from the labor of employees who are working under dangerous conditions.

M. Ensuring that grocery employees are compensated for the substantial risks of working during the COVID-19 emergency promotes retention of these vital workers. Retention of grocery employees is fundamental to protecting the health of the community as these employees directly support public purchase of groceries and facilitate community access to food. Hazard pay will improve the financial ability of grocery employees to access resources they need to stay safe and healthy, and ultimately supports the greater community that depends on grocery employees for consistent, safe and reliable access to food.

N. This ordinance is necessary in response to the COVID-19 emergency.

Section 2. As the substantive effects of this ordinance are not permanent, this ordinance is not intended to be codified. Section numbers are for ease of reference within this ordinance, and section and subsection references refer to numbers in this ordinance unless stated otherwise.

Section 3. Definitions.

For purposes of this ordinance:

"City" means the City of Federal Way.

"Compensation" means the payment owed to an employee by reason of employment.

"Employee" means one employed by another for wages in a non-salaried position below the executive level and excluding delivery drivers who are principally employed in the transportation of merchandise, including full-time employees, part-time employees, and temporary workers. An alleged employer bears the burden of proof that the individual is, as a matter of economic reality, in business for oneself (i.e., an independent contractor) rather than dependent upon the alleged employer.

"Small Grocery Business" means a business that operates a retail store in Federal Way that is larger than 2,500 square feet and less than 10,000 square feet in size and that is primarily engaged in retailing groceries for offsite consumption. Other household supplies or other products shall be secondary to the primary purpose of groceries sales. "Small Grocery Business" does not include seasonal farmer's markets.

"Large Grocery Business" means a business that operates a retail store in Federal Way that is over 10,000 square feet in size and with 25 percent or more of its sales floor area dedicated to sale of groceries, including but not limited to the sale of fresh produce, meats, poultry, fish, deli products, dairy products, canned and frozen foods, dry foods, beverages, baked foods, and/or prepared foods. "Large Grocery Business" does not include seasonal farmer's markets.

"Groceries" means any of the following or any similar products: fresh produce, meats, poultry, fish, deli products, dairy products, canned and frozen foods, dry foods, beverages, baked foods, and/or prepared foods.

"Grocery employee" means an employee covered by this ordinance.

"Hazard pay" means additional compensation owed to an employee on top of the employee's other compensation, including but not limited to wages, tips, service charge distributions, overtime, commissions, piece rate, bonuses, rest breaks, promised or legislatively required pay or paid leave, and reimbursement for employer expenses.

Section 4. Hazard Pay Requirements.

A. Small Grocery Businesses shall provide each employee with hazard pay at a minimum rate of $2.50 per hour for each hour worked in Federal Way. Small Grocery Businesses may apply for a City of Federal Way Small Grocery Hazard Pay Grant, once that grant program is established, to defray the cost of paying hazard pay required by this ordinance.

B. Large Grocery Businesses shall provide each employee with hazard pay at a minimum rate of $2.50 per hour for each hour worked in Federal Way.

C. Grocery businesses providing hazard pay on the effective date of this ordinance may use the hourly rate of that hazard pay to offset the amount due under this section.

D. Grocery businesses bear the burden of proof to show that the additional compensation is hazard pay for the purposes of working during the COVID-19 emergency.

E. Grocery businesses shall retain records that document compliance with this ordinance for each employee for a period of three years.

Section 5. Private Right of Action. Any person or class of persons that suffers financial injury as a result of a violation of this ordinance may bring action in a court of competent jurisdiction against the employer or other person violating this ordinance and, upon prevailing, may be awarded reasonable attorney fees and costs and such legal or equitable relief as may be appropriate to remedy the violation including, without limitation: the payment of any unpaid compensation plus interest due to the person and punitive damages in an additional amount of up to twice the unpaid compensation. Interest shall accrue from the date the unpaid compensation was first due at 12 percent per annum, or the maximum rate permitted under RCW 19.52.020.

Section 6. Waiver. Any waiver by an individual of any provisions of this ordinance shall be deemed contrary to public policy and shall be void and unenforceable.

Section 7. Businesses that are subject to this ordinance shall ensure that during this pandemic there is adequate staff at all times, that stores be thoroughly cleaned before opening or after closing, that mask requirements for the public are always enforced, that the employers shall disclose reported COVID-19 infections to employees promptly, and that limited store access is always enforced.

Section 8. Review and Sunsetting. Hazard pay will be effective for a minimum of 90 days. The City Council will review the continued necessity of providing hazard pay to grocery employees at its Regular Council Meeting to be held on July 6 , 2021 at which time it will decide to either extend hazard pay beyond 90 days or repeal this ordinance at the Regular Council Meeting to be held on August 10, 2021.

Section 9. Severability. Should any section, subsection, paragraph, sentence, clause, or phrase of this ordinance, or its application to any person or situation, be declared unconstitutional

or invalid for any reason, such decision shall not affect the validity of the remaining portions of this ordinance or its application to any other person or situation. The City Council of the City of Federal Way hereby declares that it would have adopted this ordinance and each section, subsection, sentence, clauses, phrase, or portion thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses, phrases, or portions be declared invalid or unconstitutional.

Section 10. Corrections. The City Clerk is authorized to make necessary corrections to this ordinance including, but not limited to, the correction of scrivener/clerical errors, references, ordinance numbering, section/subsection numbers and any references thereto.

Section 11. Ratification. Any act consistent with the authority and prior to the effective date of this ordinance is hereby ratified and affirmed.

Section 12. Effective Date. This ordinance is necessary to respond to an ongoing emergency and shall take effect and be in force on May 15, 2021.

PASSED by the City Council of the City of Federal Way this _____ day of _____, 20___.
