Section 5: Tasks and Measures – Completed by Supervisor
Identify specific tasks to be performed in a remote environment: (DO NOT copy & paste directly from the Position Description.):
Identify metrics and measureable work for your supervisor to evaluate: (Documents, spreadsheets, special reports, metrics, and access to shared mailboxes and systems that help supervisors gauge progress)
Create a communication plan with supervisor, workgroup, customers: Supervisor check-ins (frequency and time of day): Work-group meetings (frequency and time of day): Customer interaction and coordination (strategies to manage and protect the customer experience):

Section 6: Signatures

The supervisor and the employee affirm that all criteria in the Mobile Work Policy and application process are met, including:

- The completion of two assessments (employee and supervisor) that support a mobile work environment for this position/employee;
- Minimal supervisory responsibility or other direct interaction with staff/customers;
- No need for specialized materials or equipment;
- No dependence on the location of the primary duty station in order to execute job responsibilities;
- Clearly defined tasks and deliverables that can be monitored away from the official duty station;
- No impact on the productivity of the workgroup;
- The willingness to sign and abide by the terms of the Mobile Work Agreement form and Mobile Work Policy;
- The willingness of the supervisor to invest time and support the success of the Mobile Work Agreement.

I understand and agree to comply with all OSOS rules, agreements, policies, procedures, and Collective Bargaining Agreements (if applicable) while this agreement is in place. I understand that all approvals are provisional. I understand that this agreement may be terminated by my employer.

_____ _____
